Tracing practice lines for the lowercase letter 'i'. The first row contains four solid 'i' characters. The second row contains four dashed 'i' characters. The third row contains four dotted 'i' characters. The fourth row contains four solid 'i' characters. The fifth row contains four dashed 'i' characters. The sixth row contains four dotted 'i' characters. The seventh row contains four solid 'i' characters. The eighth row contains four dashed 'i' characters. The ninth row contains four dotted 'i' characters. The tenth row contains four solid 'i' characters. The eleventh row contains four dashed 'i' characters. The twelfth row contains four dotted 'i' characters. The thirteenth row contains four solid 'i' characters. The fourteenth row contains four dashed 'i' characters. The fifteenth row contains four dotted 'i' characters. The sixteenth row contains four solid 'i' characters. The seventeenth row contains four dashed 'i' characters. The eighteenth row contains four dotted 'i' characters. The nineteenth row contains four solid 'i' characters. The twentieth row contains four dashed 'i' characters. The twenty-first row contains four dotted 'i' characters. The twenty-second row contains four solid 'i' characters. The twenty-third row contains four dashed 'i' characters. The twenty-fourth row contains four dotted 'i' characters. The twenty-fifth row contains four solid 'i' characters. The twenty-sixth row contains four dashed 'i' characters. The twenty-seventh row contains four dotted 'i' characters. The twenty-eighth row contains four solid 'i' characters. The twenty-ninth row contains four dashed 'i' characters. The thirtieth row contains four dotted 'i' characters. The thirty-first row contains four solid 'i' characters. The thirty-second row contains four dashed 'i' characters. The thirty-third row contains four dotted 'i' characters. The thirty-fourth row contains four solid 'i' characters. The thirty-fifth row contains four dashed 'i' characters. The thirty-sixth row contains four dotted 'i' characters. The thirty-seventh row contains four solid 'i' characters. The thirty-eighth row contains four dashed 'i' characters. The thirty-ninth row contains four dotted 'i' characters. The fortieth row contains four solid 'i' characters. The forty-first row contains four dashed 'i' characters. The forty-second row contains four dotted 'i' characters. The forty-third row contains four solid 'i' characters. The forty-fourth row contains four dashed 'i' characters. The forty-fifth row contains four dotted 'i' characters. The forty-sixth row contains four solid 'i' characters. The forty-seventh row contains four dashed 'i' characters. The forty-eighth row contains four dotted 'i' characters. The forty-ninth row contains four solid 'i' characters. The fiftieth row contains four dashed 'i' characters. The fifty-first row contains four dotted 'i' characters. The fifty-second row contains four solid 'i' characters. The fifty-third row contains four dashed 'i' characters. The fifty-fourth row contains four dotted 'i' characters. The fifty-fifth row contains four solid 'i' characters. The fifty-sixth row contains four dashed 'i' characters. The fifty-seventh row contains four dotted 'i' characters. The fifty-eighth row contains four solid 'i' characters. The fifty-ninth row contains four dashed 'i' characters. The sixtieth row contains four dotted 'i' characters. The sixty-first row contains four solid 'i' characters. The sixty-second row contains four dashed 'i' characters. The sixty-third row contains four dotted 'i' characters. The sixty-fourth row contains four solid 'i' characters. The sixty-fifth row contains four dashed 'i' characters. The sixty-sixth row contains four dotted 'i' characters. The sixty-seventh row contains four solid 'i' characters. The sixty-eighth row contains four dashed 'i' characters. The sixty-ninth row contains four dotted 'i' characters. The seventieth row contains four solid 'i' characters. The seventy-first row contains four dashed 'i' characters. The seventy-second row contains four dotted 'i' characters. The seventy-third row contains four solid 'i' characters. The seventy-fourth row contains four dashed 'i' characters. The seventy-fifth row contains four dotted 'i' characters. The seventy-sixth row contains four solid 'i' characters. The seventy-seventh row contains four dashed 'i' characters. The seventy-eighth row contains four dotted 'i' characters. The seventy-ninth row contains four solid 'i' characters. The eightieth row contains four dashed 'i' characters. The eighty-first row contains four dotted 'i' characters. The eighty-second row contains four solid 'i' characters. The eighty-third row contains four dashed 'i' characters. The eighty-fourth row contains four dotted 'i' characters. The eighty-fifth row contains four solid 'i' characters. The eighty-sixth row contains four dashed 'i' characters. The eighty-seventh row contains four dotted 'i' characters. The eighty-eighth row contains four solid 'i' characters. The eighty-ninth row contains four dashed 'i' characters. The ninetieth row contains four dotted 'i' characters. The ninety-first row contains four solid 'i' characters. The ninety-second row contains four dashed 'i' characters. The ninety-third row contains four dotted 'i' characters. The ninety-fourth row contains four solid 'i' characters. The ninety-fifth row contains four dashed 'i' characters. The ninety-sixth row contains four dotted 'i' characters. The ninety-seventh row contains four solid 'i' characters. The ninety-eighth row contains four dashed 'i' characters. The ninety-ninth row contains four dotted 'i' characters. The hundredth row contains four solid 'i' characters.
